

## **Knowledge Management Excellence Programme**

**Project Start: January 2020    Duration: 1 year**

### **Background**

Knowledge Management is on the top of Kenya's agenda, but experiences with this multi-faceted approach are still young. The KM Excellence Programme is a partnership activity of 10-20 companies and organizations (public/private) aiming at excellence in Knowledge Management through

- ✓ Learning from and with the pioneers in the field,
- ✓ Systematic assessment of strengths and weaknesses
- ✓ Coaching and sparring from most experienced experts and practitioners,
- ✓ Peer review and learning
- ✓ International networking and knowledge exchange

### **The KM Excellence Programme includes:**

- ✓ Community building within the leaders group and facilitation of experience exchange.
- ✓ Joint learning / training programme with "Knowledge Management Certificate" for the KM Champions.
- ✓ Systematic KM Assessment through external experts and recommendations for a more advanced KM programme in the organisation.
- ✓ Regular peer reviews, coaching and support within the implementation phase; regular linkages with international companies/organisations who are highly advanced in KM
- ✓ Nomination for the Knowledge Management for Development Award
- ✓ Closing conference and KM4D Award ceremony

### **Price and contribution**

Participation in the programme for 2 participants from each organization costs **470,000**, additional participant will top up **KES 108,000**. Companies that will require a KM assessment and inputs on their KM strategy will top up **KES 160,000**. Participating companies should avail their representatives the time to participate

actively in the programme and fulfil his pre- and post-assignments.

**Note:** Price is exclusive of VAT

The **KM Excellence programme** is addressing companies and organisations, who consider themselves knowledge-based organisations and who want to be among the top-performers in Knowledge Management in Kenya.

### **Organizers**

The Learning & Improvement Programmes are facilitated by knowledge.city ([www.knowledge.city](http://www.knowledge.city)), and the Knowledge for Development Partnership ([www.k4dp.org](http://www.k4dp.org)) in partnership with Knowledge Management Academy.

With 18 years of international experience in education & training, consulting, practical doing, research and networking knowledge.city is a world leading competence centre for the best in KM and those who want to get there. Its trustful and reliable network of pioneers and successful practitioners is a unique resource in the field of KM. The experts and trainers of the KM Academy are among the leading experts and most experienced practitioners in Europe and the world, including top-consultants as well as experienced practitioners from successful companies and organizations, like Hewlett-Packard Enterprise, Siemens, Zalando, Primetals, Microsoft, Horizont3000, IAEA, and others. All these experiences are availed in a condensed, practice-oriented and captivating way.
