Mr. Jeremiah Nyaberi
State Department of Devolution

Ms. Pauline Wanjiku, Director
Knowledge City Ltd. / Kenya

Knowledge for Development Partnership Meeting

FOCUS: Institutionalising Knowledge Management in Kenya

Participation is free, but subject to registration.

Knowledge for Development Meeting convenes the K4DP community, knowledge specialists and workers, pioneers as well as passionate followers and upcoming experts, committed to advancing knowledge management, knowledge societies in Africa. It creates awareness on how knowledge impacts all development activities and how it can be managed. It fosters dialogue within the multi-sectoral, multi-stakeholder community and provides a platform to co-create ideas and solutions to urgent and anticipated challenges.

Afternoon Programme: 25/02/2020

14:00 **Opening ceremony and keynote speakers**

Vice Chancellor, KCA University

Principal Secretary, State Department of Devolution

Institutionalising Knowledge Management in Kenya

Jeremiah Nyaberi, Ministry of Devolution

Joseph Mbugua, KenGen PLC

Dr. Gichuru, KCA University

The Agenda Knowledge for Development in Kenya – next steps

Dr. Andreas Brandner, Wambui Wanjiku, K4DP

Moderation: Dr. Rose Gathii, KCA University

15:30 **World Café: Advancing a knowledge management in Kenya:**

The world café is a space where all participants can equally contribute their knowledge and experience, vision and passion, ideas and call for action.

As a knowledge partnership we build on the active contribution of all, reflecting the current situation, envision the future and co-creating an agenda to move forward.

This world café is dedicated to co-creating and advancing knowledge societies in Kenya, building partnerships, initiating projects and starting real action.

Moderation: Dr. Rotich, KCA University, Wambui Wanjiku, Knowledge City, Joseph Mbugua, KenGen

16:30 Tea Break

END

26-27 February 2020

Knowledge Management Essentials

The **Knowledge Management Essentials Training Course** provides the **big picture of Knowledge, Innovation & Learning Management** and gives a solid introduction to the key concepts, successful practices and essential instruments. Participants learn how to assess KM practices systematically, develop a KM strategy and implement them step-by-step including a successful KM Awareness programme.

Different KM training elements, exercises and discussions that aim to allow participants to co-create knowledge are key elements of this fundamental KM Training course.

Topics:

- Creating competitive advantages through knowledge leadership
- Designing and implementing Knowledge Management strategies in the organisation
- Leading knowledge workers and creating a knowledge-sharing culture
- Facilitating knowledge networks and communities of practice
- Implementing integrated knowledge portals for information, communication and collaboration
- Learning from pioneers: KMA, HPE, KRA, Siemens, KM Award Winners
- Capitalizing Experiences and learning from projects

Trainers:

- **Andreas Brandner**, Knowledge for Development Partnership

Time: Wednesday -Thursday, 26-27 February: 9am – 5pm
